25 The office of the Chief Sanitary Inspector has since been abolished and the number of Sanitary Inspectors has been increased As stated by the President, no further action seems called for.

26 Para 7 <u>Improvement of the present system of road repairs.</u>-

27 It was observed in the notes that the road repairs were undertaken by collecting road materials on contract under the tender system and consolidation by piece work and the system required further improvement.

28 With reference to this it is ~~xxxxxx~~ stated that the question of formation of a separate -- Committee of the Council to suggest improvements was considered by the Managing Committee, who considered that this was the function of the City Improvement Committee which had opportunities of inspecting roads and suggesting improvements

29 This does not solve the question. The Commissioner may perhaps be asked to refer the matter to the Improvement Committee for consideration and submit suitable proposals.

Paras 10, 11 and 19 Expansion of Municipal Revenues under several heads

The items on which the Municipal Council requested to bestow attention are (1) Doubling of taxes for lighting and water, as the expenditure on lighting was double the receipt and the Municipality had to meet the entire water charge amounting to about 2 lakhs from July 1924 A memo showing how the income on water supply might be increased was also sent up to the Council No definite proposals have been sent It is stated that these and other items to be referred to below require amendment and framing of bye-laws and provision for these has been made in the revised bye-laws under consideration Information has not been given as to when the bye-laws would be sent up to Government

Other items are (1) Revenue under animal and vehicle taxes by charging heavily on Motor Buses. The latter can perhaps be done after rules are issued

The Municipal Council was also asked to take necessary measures to plant avenue trees and to prepare and maintain a list of the trees Information as to action taken has not been given This may perhaps be called for

In para 19, the President was requested to go into the question of expansion of revenue and submit a special report to Government comparing the incidence of Municipal taxation in the City and C & M Station Municipality No attempt seems to have been made in this direction

Sir,

In continuation of this Office letter No 72 dated 20th October 1924 submitting a report of action taken on the --- several points indicated in the Dewan's Notes of inspection of the City Municipal Office, Bangalore, on the 29th April 1924 I have the honor to submit a further report on certain point which were reserved for separate consideration

2. Para 3 of the Dewan's Inspection Notes deals with the low percentage of establishment charges in the Department of Municipal Public Works The Municipal Engineer submitted a detailed report on this point which was considered at 3 ---- meetings of the members of the Managing Committee who finally resolved that a temporary establishment consisting of 1 Overseer and 2 sub-overseers at a cost of Rs 190/- per month might be entertained for attending to licensing of building work in the City Necessary provision was made in the Budget for 1924-25 but the Government in passing orders on the budget - - struck off the provision So no further action could be -- taken.

3. Para 7 Improvement of the present system of road repairs The formation of a separate committee of the Municipal Council to suggest improvements in the present system of road repairs was considered by the Managing Committee who ---

were

were of opinion that it was one of the functions of the Municipal City Improvement Committee the members of which had greater nities of inspecting the roads and suggesting improvements during their periodical visits to the several divisions.

4 Para 8 Constitution of the City Improvement Works into a separate unitary control This has been done as a separate full-time Engineer was appointed about a year ago.

5 Paras 10, 11 and 19 deal with the expansion of Municipal Revenue under various items These require the amendment of the existing bye-laws in certain cases and the making of new bye-laws in others Due provision has been made for these in the revised bye-laws which are under consideration.

6 Para 14 Letting out the sewage for private parties. This question has been engaging the attention of the Managing ---- Committee and is under correspondence with the Superintendent of Government Gardens.

I have the honor to be,

Sir,
